## Notice of Proposed Action

August 3, 2007

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes. The Administrator has received a complete application for water pollution control discharge permit (NEV2007501 from the applicant:

Coyote Springs Water Resources General Improvement District (CSWRGID)  
1001 S. Valley View Boulevard  
Las Vegas, Nevada 89153

The applicant proposes to have the Clark County Water Reclamation District operate the Coyote Springs Water Resources Water Reclamation Facility(WRF) which is located at 11502 State Route 168 in the southeast corner of the Coyote Springs Development in Section 23, T. 13S., R. 63E. MDB&M. This new wastewater treatment facility will serve the residential and commercial properties within the Coyote Springs development in Clark County, Nevada. The new WRF is an activated sludge process facility designed to treat domestic sewage to meet tertiary treatment standards via a membrane bioreactor. The effluent will be denitrified and disinfected prior to reuse on two golf courses and other approved reuse sites. Effluent storage will be in two lined reservoirs proximal to the facility, which will supply reuse water to the golf course irrigation lakes for irrigation reuse on the golf courses, common areas and streetscapes of the development. The permit will cover a five (5) year period.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes (NRS) as amended, and implementing regulations, the Administrator proposes to issue a permit to discharge, subject to certain limitations and special conditions.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, by September 3, 2007, either in person or by mail to:

Department of Conservation and Natural Resources  
Division of Environmental Protection  
Bureau of Water Pollution Control  
901 South Stewart Street, Suite 4001  
Carson City, Nevada 89701

This Document is for Electronic Distribution

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received within thirty (30) day period will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

The application, proposed permit, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by calling Icy C. Mulligan, of the Bureau of Water Pollution Control at 775.687.9432, or by FAX at 775.687.4684, or the Fact Sheet and Public Notice can be viewed at the NDEP website:
